Supportive housing is permanent, affordable housing with on-site support services to serve the needs of the most vulnerable New Yorkers, including the formerly homeless and disabled. 60% of units in supportive housing are set aside for low income or formerly homeless individuals and families with special needs, who are referred by city agencies. The remaining 40% of units in the building are made available to the public through the lottery. The units listed on this notice are only those made available to the general public.
